A View From The Top...

The pictures below illustrate wonderfully the hard work of our various Boards of Trustees over many years. As our school grew its footprint over 22 years under the leadership of Principal Phil Missen, the Board ensured we developed Horsham Downs School into a jewel that remains a precious asset in our community. We have a school with an enviable reputation for student learning, a committed, professional teaching staff and a passionate and highly capable support staff. Our community truly values the hard work that takes place every day to ensure all children achieve their potential and we value that commitment to children's learning, in whatever form that takes.

We hope you enjoy the photos' taken by Paul Sumner, part of our local Harcourts rural real estate team. Thanks to Paul and Bobbi Sumner for sharing these images of our school with us.

Don't Forget - Community Survey - There is Still Time.

Please find time to complete our on-line community survey – it should only take 30 mins or so. We want your input! And we know you have a wee bit of time... share your thoughts with us.

Trivia Night - There is Life on Mars, Trump Makes an Appearance and Astronauts wow the Room!

Thanks to Jess and the PA who ran an amazing Trivia Night on Saturday. The costumes were amazing, the questions absorbing and the desserts delicious! Thank you for leading the evening and well done to everyone who took part, contributed and supported you to make the night such a success. Nothing happens for our school by magic but everyone who attended had a wonderful time. Only 12 months until the next one...

If you think you can support our Parents' Association don't be shy! Ask current PA members, teaching staff or the school office how you can contribute to the success of our school.

CAN YOU HELP?

Is there anyone out there with time on their hands who would be available to process some new reading books for the senior bookrooms? This would involve covering/labelling etc, and could be done at school or at home. Materials will be provided. Please email the school office if you can help out.

Thank you, Rachel Poultney

PA NEWS

On Saturday night in a land far far away Parents Association held their annual trivia night. With quirky questions and creative costumes as far as the eye could see the evening was a great success! We added a new event this year, a dessert auction which had tables trying to outbid each other for some fabulous creations.

We raised a grand total of \$4094.10 for the school!!

To make this happen we have had a great deal of support from those in our community. Thank you to our sponsors who donated amazing prizes for our raffles:

Thank you to the wonderful dessert makers, your creations were amazing. It was one of the highlights of my night watching people vie for their favourite.

Thank you to the trivia committee, Amanda Bowcott, Ash Parmar, and Megan Owen.

Thank you to the helpers on the night, Jenny Barker, Lu Kadry, Leah Tunnicliffe, Christine and James Jeffery, and Olivia Colebourne.

The night ran smoothly thanks to you all.

Thank you to those who attended, your costumes were amazing, a great deal of thought and effort went into them, can't wait to see what you come up with next year.

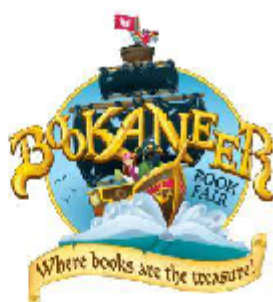

On to the important information, the winners!

Best Dressed Team: The astronaut team - Apollo HD

Winning Trivia Team: Alice in Wonderland Team - Bite me, Eat me.

See you all next year,

WORKSHOP OPPORTUNITY

On the 27th of June, from 12:30 – 2:30 pm, Horsham Downs School will be hosting a free workshop for parents to assist them to support their children in education. The workshop will be presented by Jenny Tebbutt, who has worked with primary, intermediate, secondary and post-secondary schools to raise the achievement of children who are experiencing difficulty in literacy. Jenny has wide ranging experience that includes SPELD training, experience with children who have ADHD, and implementation of programs that support children who have dyslexic tendencies.

She will cover the following topics:

- Understanding the need of your child;
- The characteristics of children with learning differences;
- Difficulties faced by some learners and meeting their needs; and
- Supporting with homework to raise achievement – reading/writing and spelling.

The workshop is suitable for all families to assist their children with home learning but is particularly suitable for families with children with learning difficulties.

For more information and to express your interest, please see the attached flyer.

Empowering people to be resilient for life

We offer evidenced-based programs for children and families - Social and Emotional Resilience. These teach children how to be in control of their anger and anxiety, coping with difficult situations and making and keeping friends. We cater for all children of all ages.

We also run a positive parenting program - TRIPLE P. This is an evidenced-based program and we run this with individual family units - not as a large group of parents. This way we are better able to meet the specific needs of each family. A bit like super-nanny - but using clear evidenced-based positive parenting strategies.
