BLOCK SWIMMING LESSONS 2019

We believe that, as we live in a country where water plays a major role in recreational activities, it is vital that we give our students a good grounding in aquatic skills. We see the use of outside providers as a valuable supplement to our school swimming programmes. For the past few years we have used the coaches from 2FOCUS for block courses and have been impressed at the progress students make during this intensive programme. Lessons take place in our pool, during the school day.

2focus have been coaching in country schools for five years, and coaching in clubs for over fourteen years; we bring qualified coaches to your school to make full use of schools pool.

What we offer

- Block course 5x 30 minute swimming lessons
- Coach swimmers to their individual ability.
- Technique coaching in all swimming strokes
- Supply all equipment needed, kick boards etc
- We come to you, no down time from the class travelling to lessons
- Depending on the swimmers ability each group will have between four and seven swimmers to a coach.
- Efficient time management.

The cost of the programme is \$35 per student in Years 0-3. Swim week for Years 0-3 (Rooms 1-5, 15) will be Mon 25th February – Friday 1st March.

This is an optional, yet highly recommended programme. If you would like to take advantage of this opportunity and sign your child/children up for this year's block course, please use the link to the google form below and the fee will be added to your school account. This letter is also on the school website in order to follow the link digitally.

PLEASE NOTE: In order to arrange groups and timetables, it is vital that we have confirmed numbers by MONDAY 18 February.
